

## **Become a Monthly Giving Partner**

When you join HSHS St. John's Foundation's Monthly Giving Partners, you share blessings with others in our community by supporting initiatives to enhance healthcare today and into the future.

Setting up a regular monthly gift is an easy and convenient way to have a significant and long-term impact on the work of HSHS St. John's Hospital. Your monthly gift is a consistent, reliable, and invaluable resource for sustained funding, allowing the hospital to invest money where it's needed most and to plan ahead for the priorities that impact patients and their families.

### **Donate With Confidence**

Donations to HSHS St. John's Foundation do not fund operating or administrative expenses. *We are proud that **100%** of your donation funds programs, priorities, and initiatives.*

### **Monthly Giving is Easy and Hassle-Free**

As a monthly giving partner, you can give monthly in any amount of your choosing and easily increase, decrease, pause or stop your gift at any time simply by contacting the Foundation Office at (217) 757-6555.

### **Your Gift Adds Up Quickly and Goes to Work Immediately**

Every gift, no matter the size, is an efficient way to give steady support that enables the hospital to plan ahead and respond quickly to strategic and emerging priorities. We hope it works for you, too, by fitting into your regular budget while making a big impact on the issues that mean the most to you.

### **Behind-the-Scenes Content and Information**

The impact of philanthropic support can be felt every day throughout our hospital and our community. We are proud to share the positive impact of philanthropy through bi-monthly impact reports and special updates. As a monthly giving partner, you will also receive annual reports on the impact of your cumulative giving.
